One of the world's best

## FELLOWSHIP TRAINING PROGRAM

### **MEDICAL AND SURGICAL RETINA**

The Fellowship Training program has two slots per year. The 1<sup>st</sup> year involves Medical Retina while the 2<sup>nd</sup> year is for Surgical Retina. The main purpose of the training program is to provide the best clinical training in the world regarding the management of retinal diseases. Our goal is to train competent, confident, sophisticated retina specialists, with both medical and surgical expertise.
